

Family. Value. Trust.

FAMILY OWNED AND INDEPENDENT
SERVING MICHIGAN - ILLINOIS - INDIANA

September 11, 2014

Dear Valued Customer,

If you have been near our store at 294 84th Street in Byron Center recently, you have probably noticed that there is a lot of construction activity going on around our store. Excavation of the land adjacent to ours for construction of the Tanger Outlet Mall is in full swing and is scheduled to open the fall of 2015. The increased automobile traffic generated on 84th Street west of US131 when the mall opens, as well as the fact that we have outgrown our current facility, has prompted us to look for a new site for our store where we will be able to serve our customers' needs for many years to come. As a valued Wonderland Tire customer, we want you to be the first to learn about our plans and how it is intended to enhance our services.

We recently purchased a site for a new location on the northwest corner of 84th Street and Division, only a ¼ mile east of our existing store. We will be building a modern retail and commercial tire facility that will offer many benefits to our loyal customers. This new facility will be more than twice the size of our current location and will continue to be a convenient service location near the US131 and 84th Street intersection. This facility will also allow us to offer additional products and services that will benefit our loyal customers and the community of Byron Center.

We greatly appreciate the opportunity to service your tire needs today and in the future. Because Wonderland Tire is *family owned and independent*, we will continue to deliver the best commercial tire service and customer care in our area. Our service philosophy and AcuTread mold cure products separate us from our competition. If you have any questions or concerns regarding these plans, please feel free to call one of us at any time.

Sincerely,

Jon Langerak
